**It is recommended that the Defendant is to be supervised by the district of residence.**

**See attached**

You shall undergo a sex-offense-specific evaluation and participate in an outpatient sex offender treatment and/or outpatient mental health treatment program approved by the U.S. Probation Office. You shall abide by all rules, requirements, and conditions of the sex offender treatment program(s), including submission to polygraph testing and refraining from accessing websites, chatrooms, instant messaging, or social networking sites to the extent that the sex offender treatment and/or mental health treatment program determines that such access would be detrimental to your ongoing treatment. You will not view, access, possess, and/or download any pornography involving adults unless approved by the sex-offender specific treatment provider. You must waive your right of confidentiality in any records for mental health assessment and treatment imposed as a consequence of this judgment to allow the U.S. Probation Office to review the course of treatment and progress with the treatment provider. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments. The Court authorizes the release of available psychological and psychiatric evaluations and reports, including the presentence investigation report, to the sex offender treatment provider and/or mental health treatment provider.

You shall submit your person, and any property, residence, vehicle, papers, computer, other electronic communication, data storage devices, cloud storage or media, and effects to a search by any United States Probation Officer, and if needed, with the assistance of any law enforcement. The search is to be conducted when there is reasonable suspicion concerning violation of a condition of supervision or unlawful conduct by the person being supervised. Failure to submit to a search may be grounds for revocation of release. You shall warn any other occupants that the premises may be subject to searches pursuant to this condition. Any search shall be conducted at a reasonable time and in a reasonable manner.

You shall permit the U.S. Probation Office to install any application or software that allows it to survey and/or monitor all activity on any computer(s), automated service(s), or connected devices that you will use during the term of supervision and that can access the internet (collectively, the "Devices"), and the U.S. Probation Office is authorized to install such applications or software. Tampering with or circumventing the U.S. Probation Office's monitoring capabilities is prohibited. You must notify any other people who use the Device(s) that it is subject to examination pursuant to this condition. You must provide the U.S. Probation Office advance notification of planned use of any Device(s) and will not use any Device(s) without approval until compatibility (i.e., software, operating system, email, web-browser) is determined and installation is completed. Websites, chatrooms, messaging, and social networking sites shall be accessed via the Device(s) web browser unless otherwise authorized. You will not create or access any internet service provider account or other online service using someone else's account, name, designation or alias. You will not utilize any peer-to-peer and/or file sharing applications without the prior approval of your probation officer. The use of any Device(s) in the course of employment will be subject to monitoring or restriction as permitted by the employer.

You will not view or possess any "visual depiction" (as defined in 18 USC 2256), including any photograph, film, video, picture, or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means, of "sexually explicit conduct" by a minor under the age of 18.

You will not access any websites, chatrooms, instant messaging, or social networking sites where your criminal history-including this conviction-would render such access in violation of the terms of service of that website, chatroom, instant messaging, or social networking site.

You must not have deliberate contact with any child under 18 years of age, unless approved by the U.S. Probation Office. You must not loiter within 100 feet of places regularly frequented by children under the age of 18, such as schoolyards, playgrounds, and arcades. You must not view and/or access any web profile of users under the age of 18. This includes, but is not limited to, social networking websites, community portals, chat rooms or other online environment(audio/visual/messaging), etc. which allows for real time interaction with other users, without prior approval from your probation officer.

You must participate in an outpatient mental health treatment program approved by the United States Probation Office. You must continue to take any prescribed medications unless otherwise instructed by the health care provider. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments.

The Court authorizes the release of available psychological and psychiatric evaluations and reports, including the presentence investigation report, to the health care provider.

You will participate in an outpatient treatment program approved by the United States Probation Office, which program may include testing to determine whether you have reverted to using drugs or alcohol. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments. The Court authorizes the release of available drug treatment evaluations and reports, including the presentence investigation report, to the substance use disorder treatment provider.
